MARUTI SUZUKI

Way of Life!

Happiness family size!

Be it a short trip, a picnic or a drive to the market, things are always best enjoyed when done with the family. Imagine a car that is designed keeping this in mind...

Introducing EECO, a car which has a perfect mix of power, style, space, comfort and safety that ensures you and your family have an enjoyable experience every time. What's more, it can also take care of your business needs. Go ahead, experience **happiness family size!**

Power that drives your happiness.

Powered by a 1200 cc, BS IV compliant engine, the EECO delivers an incredible 73 bhp @6000 rpm and a torque of 101 Nm @3000 rpm. The engine incorporates a range of advanced technologies. Its power is complimented by the new Engine Management System that supports in enhancing fuel efficiency and performance. Now experience power that lets you take your family for an exhilarating drive up in the hills or zip through highways on your business trips.

Powerful 1200 cc engine that delivers an amazing 73 bhp.

More room for your happiness.

With an option for 5 seats or 7 seats, the EECO offers roominess for all kinds of usage. The boot space of 540 litres* ensures that nothing is left behind. The seats have been designed to maximize comfort and space. It is the perfect car for every occasion - a business trip or a picnic with your loved ones. The EECO has been crafted keeping in mind all your needs.

Seating configuration for 7 seater variant.

Space for your family needs.

Space for your business needs.

*For 5 seater variants.

Comfort that nurtures happiness.

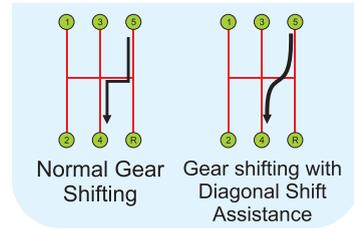

Get ready for comfort and luxury that truly adds to your driving pleasure. Equipped with finely tuned McPherson-strut front suspension and 3-link rigid rear suspension, the EECO offers best in class riding comfort. What's more, it also comes packed with features like AC, multiple digital tripmeter, integrated head rests in front row and tubeless radial tyres for superior comfort for you and your loved ones.

Securing your happiness.

The safety measures in the EECO ensure you enjoy drives without worrying about the security of your family. Besides being designed on a platform that complies with all applicable safety regulations, the

EECO also has a high seating posture for better visibility. It is also packed with a range of features like crumple zones and side impact beams to make your drive safe and secure.

Happiness, the eco-friendly way.

The EECO is designed to meet all your needs in an eco-friendly manner. With ELV (End of Life Vehicle) compliance it ensures minimal pollution and maximum recyclability of all parts when they reach end of life. Now, add a touch of green to your every journey.
